

Collaboration: An Essential Building Block for Creating Value

Karya Lustig

Center for Health Leadership and Practice

Contributing to the movement

142 National, state, and local multi-sector initiatives addressing public health

37 Million people served because of system and policy change

850+ Ideas of ingenuity in the making

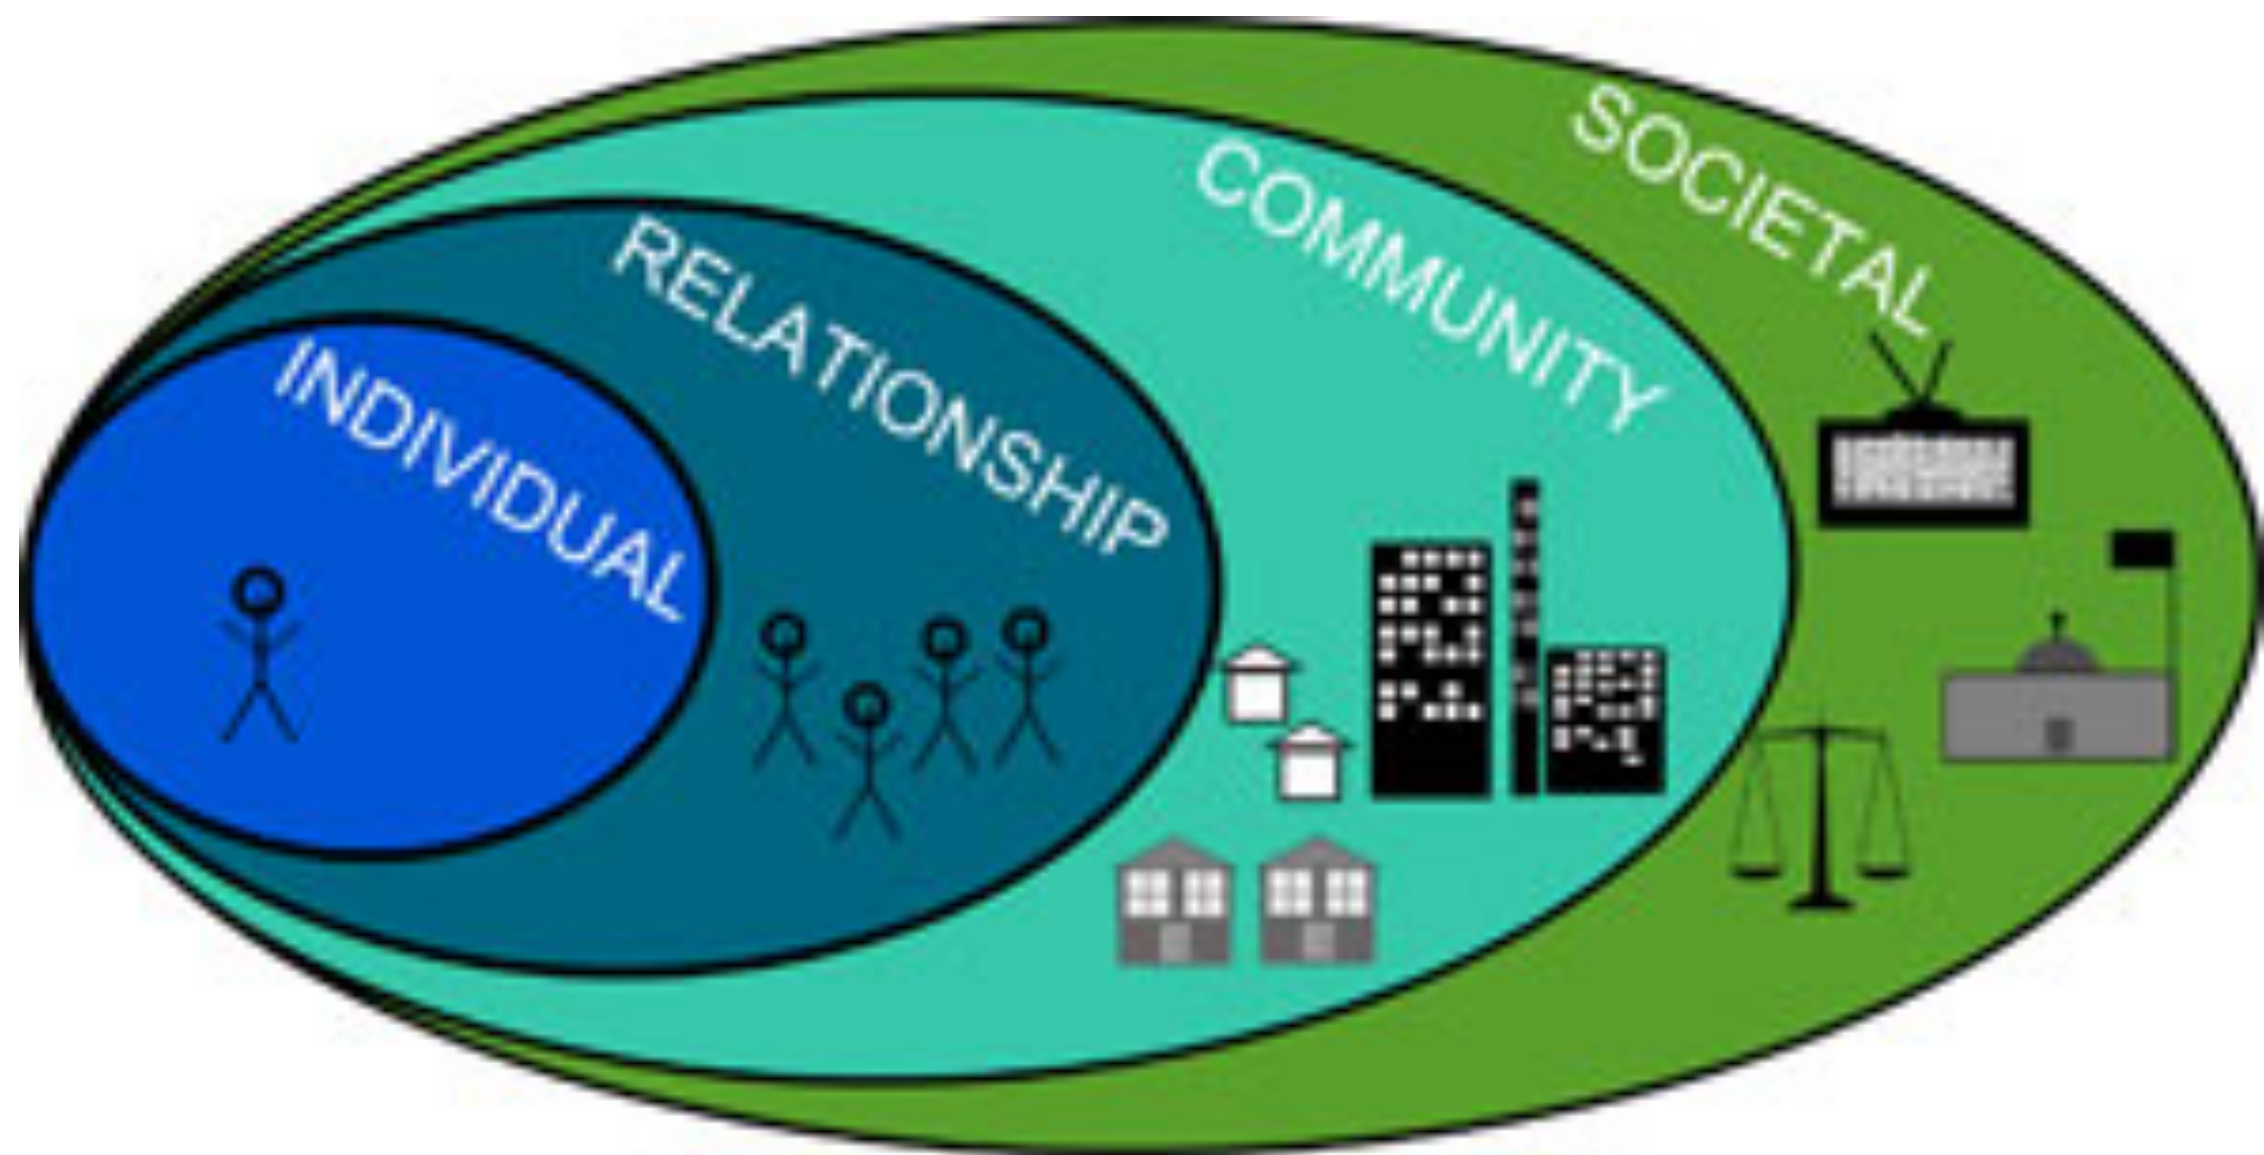

600+ Leaders “paying it forward” beyond outcome successes

The Center for Health Leadership and Practice delivers the only multisector, practice-based program with national reach and evidence-based effectiveness at an individual, team, and community health impact level.

Collaborative leadership for a new health environment

Why we do this work

EVERY 12 MINUTES SOMEONE IN AMERICA DIES FROM AN OPIOID OVERDOSE.

California in 2017:

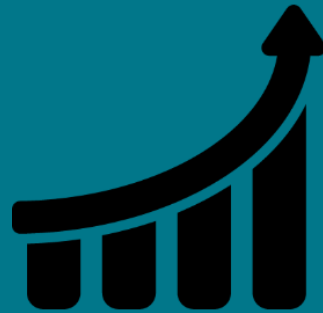

- 2,196 opioid overdose deaths
- 429 Fentanyl overdose deaths (57% increase from 2016)
- 4,281 opioid overdose ED visits
- 21,787,042 opioid prescriptions

What we do

Coalition
Performance
Improvement

Opioid Safety
Strategy
Implementation

The Accelerator Program

Provides local coalitions with **customized coaching, technical assistance and networking opportunities** to strengthen their impact.

The Network

Statewide forum for all coalitions, organizations and individuals working to combat the opioid crisis in California.

STRENGTHEN SYSTEMS

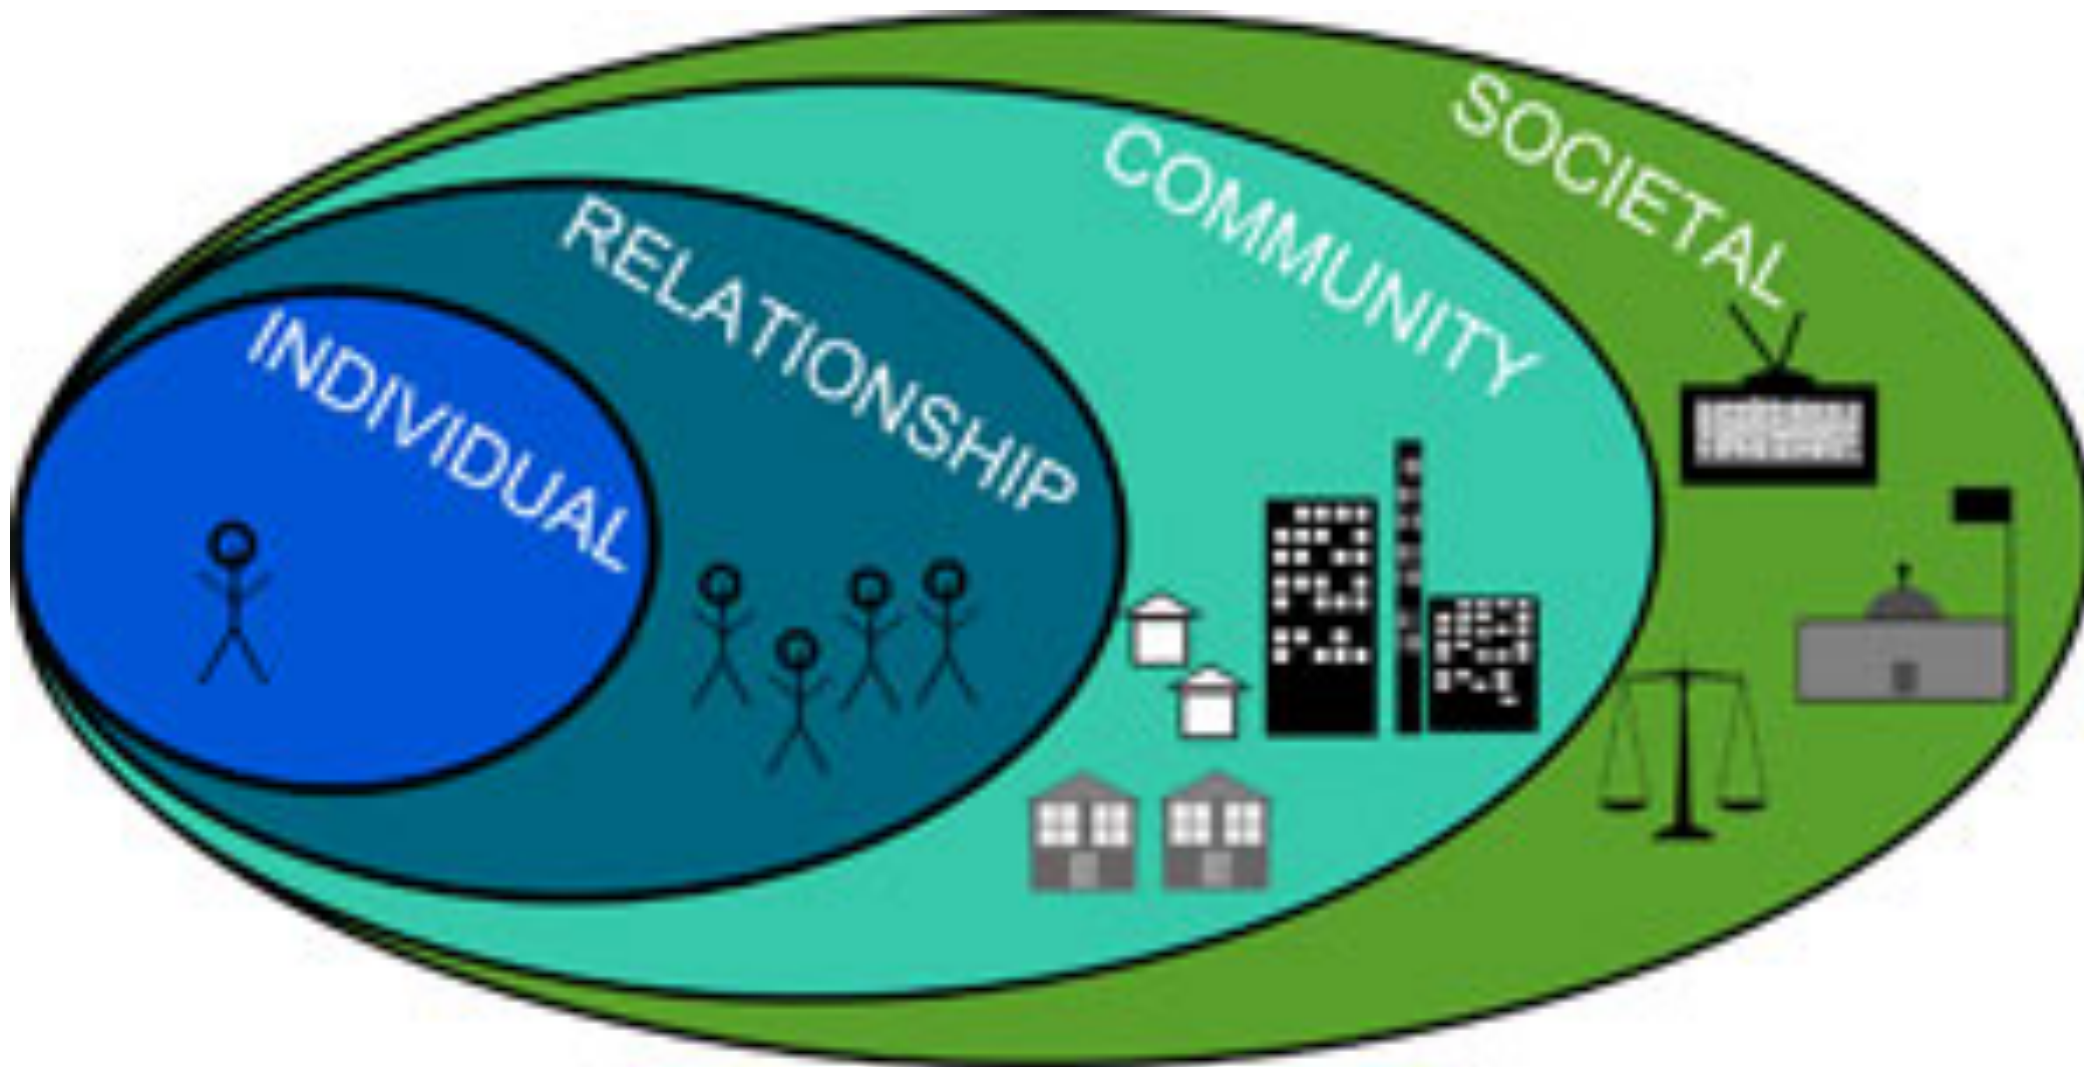

Generate dialogue between sectors

DEVELOP LOCAL RESPONSE

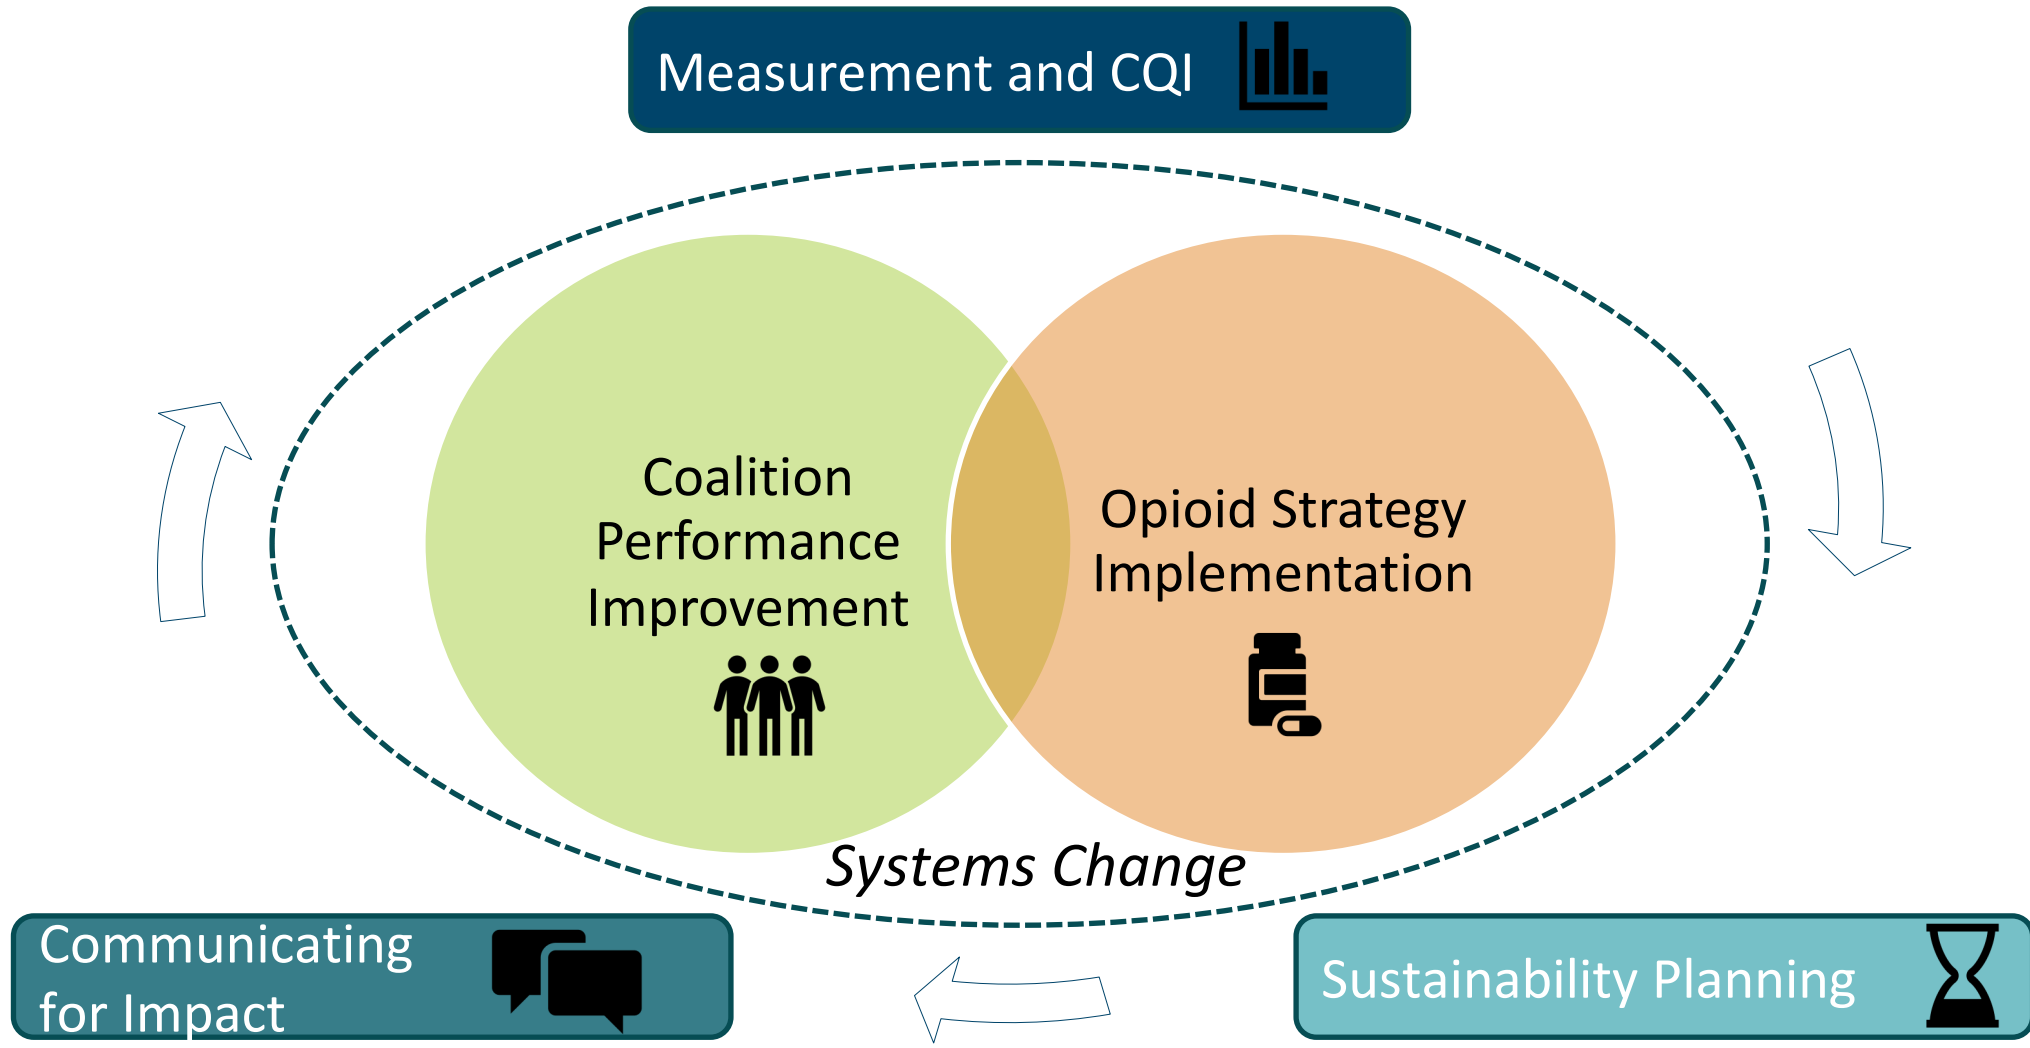

Respond to community needs

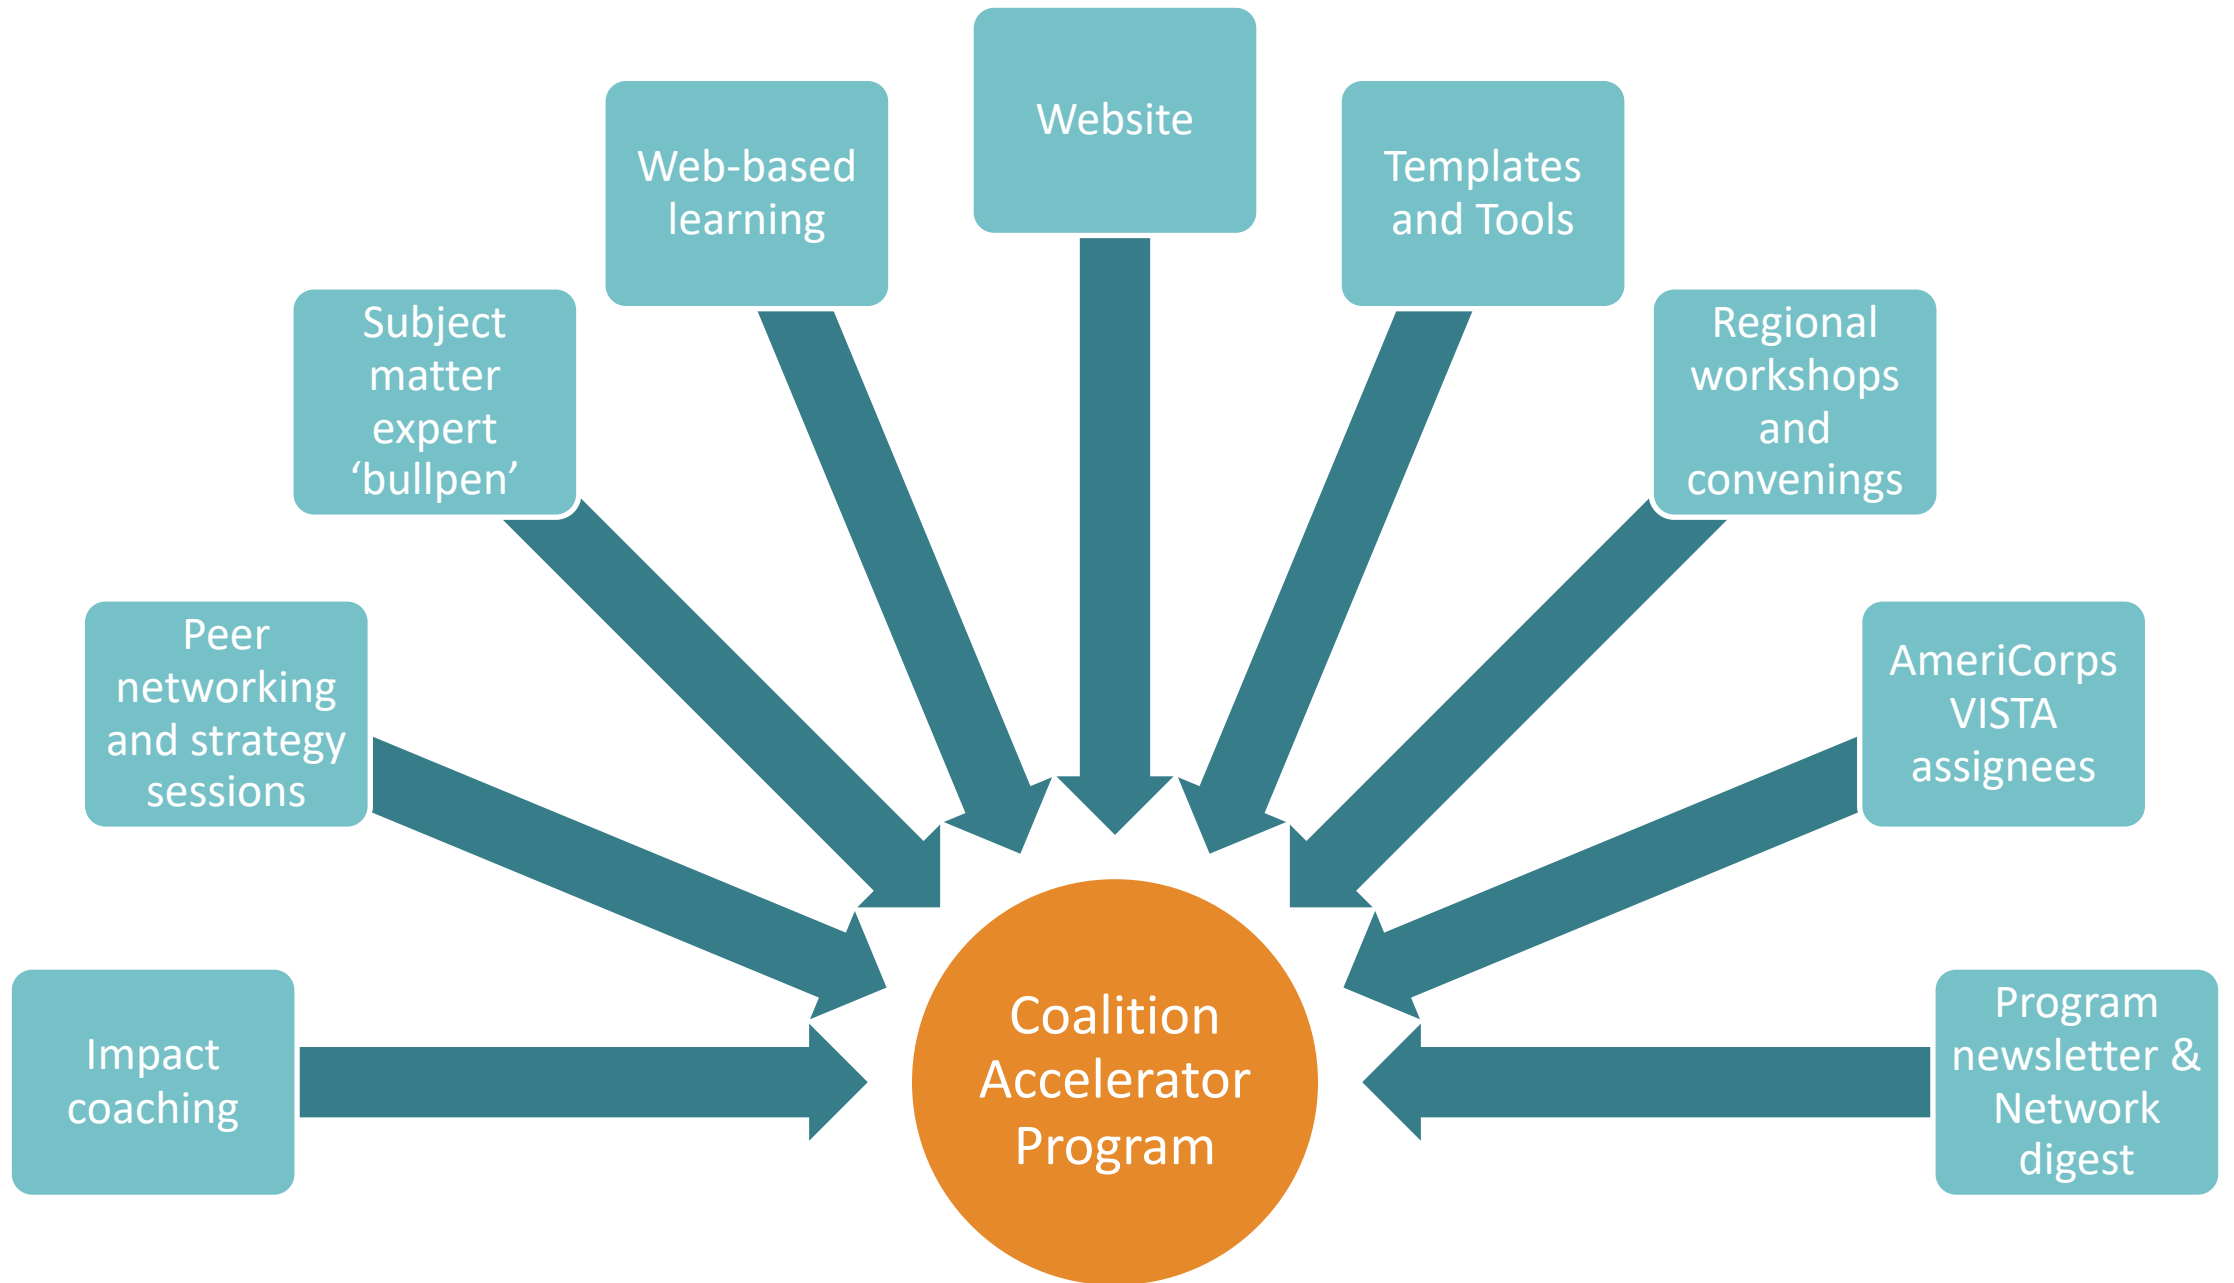

SUSTAIN ACTION

Focus on long term solutions

Accelerator Program Model

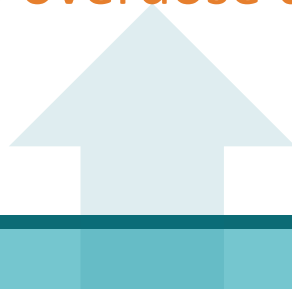

The California Landscape

What are we doing to get to zero overdose deaths?

PREVENT new starts

(safer prescribing; upstream prevention and education)

MANAGE pain safely

(alternative pain therapies; tapering)

TREAT addiction

(access to medication assisted treatment in jails, primary care, hospitals and EDs)

STOP overdose deaths

(harm reduction via naloxone and syringe exchanges)

STEP 2: Opioid Safety Strategy Partnerships

	Addressing Supply	Promoting Recovery	Preventing Overdose Deaths
Partners you currently work with (category of partner, actual partner, and/or purpose in relation to that strategy)			
Partners you have talked about working with (follow same categories as first)			
Partners you might add if you were focused specifically on addressing the social determinants of health in relation to that category			

Coalition Activities

	Alameda-Contra Costa	Butte Glenn	Contra Costa	Humboldt	Imperial	Los Angeles	Lake	Marin	Mendocino	Monterey	Northern Sierra	Orange	Placer-Nevada	Riverside-San Bernardino	Sacramento	San Benito	San Diego	San Joaquin	San Luis Obispo	Santa Clara	Santa Cruz	Siskiyou	Redwood (Sonoma, Napa, Marin, Yolo)	Tuolumne
Increasing Access to MAT																								
Implementing Academic Detailing																								
Promoting Adoption of Safe Prescribing Guidelines																								
Using Opioid Safety/Surveillance Data at Local Level																								
Promoting healthy pain management/alternatives to opioids for managing chronic pain																								
Implementing Naloxone Distribution Site(s)/Systems																								
Increasing Public Awareness of Opioid Safety																								
Implementing Local Policy Changes																								

Not started or no current activity
Planning Stage
In progress or completed

Lowered opioid supply:

- **80 urgent care centers** engaged to implement safe prescribing guidelines in Los Angeles County
- **64 pounds of medication** collected through takeback program in Mendocino County

Increased access to treatment:

- **29 physicians and allied health professionals** trained to prescribe buprenorphine in Alameda and Contra Costa Counties

Prevented overdose deaths:

- **100 overdoses reversed** by law enforcement in Placer and Nevada Counties

IMPACT

What **impact** have you seen from your team's participation in the Accelerator Program?

95%

More effective in implementing local opioid safety strategies

87%

Strengthened or broadened coalition partnerships

86%

More effective coalition leadership and management

96%

Clearer vision and focus

95%

Improved coalition performance

“We were operating in a vacuum. Together we have a multiplied effect.”

—Coalition leader, San Luis Obispo County
