

Connecting Care

Santa Fe County Connect

Elizabeth Peterson, MPH
Santa Fe County Connect Project Manager

PRESENTATION GOALS:

1. To explain how an Accountable Health Community in Santa Fe County, New Mexico is connecting people with unmet social determinant of health needs to care in their community.
2. To provide examples that illustrate what connecting care looks like in Santa Fe County Connect.
3. To explain how the use of technology helps connect care in both urban and rural/frontier settings.

Santa Fe County Connect

Who we are and what we do

Sayra's Story

Social determinants of health
influence our health and well-being.

The background of the slide is a collage of three images. On the left is a close-up of an elderly woman with white hair. On the top right is a man and a woman in a close embrace. On the bottom right is a man in a plaid shirt holding a baby in his arms.

ACCOUNTABLE HEALTH COMMUNITY MODEL

Do Santa Fe County residents have reliable access to:

- Transportation
- Housing
- Nutritious Food
- Utilities
- Interpersonal Safety

VISION:

By 2020, all County residents regardless of income have access to high-quality health care and are linked to the resources they need for health and well-being.

Santa Fe County Connect is a network of 90 navigators at 37 county and city funded programs, organizations and clinics that screen for and address unmet social determinants of health by linking people to resources and services in our community.

ACCOUNTABLE HEALTH COMMUNITY

a New Mexican Model

Relationship Based

Resource Smart

Connected

Ground Up

Accountable Health Community Model
SANTA FE COUNTY CONNECT

90 Navigators in 37 programs

SANTA FE COUNTY CONNECT GOALS:

- Residents and providers collectively identify problems and co-create solutions.
- Navigators link residents to resources within a cohesive provider network.
- Social, economic and physical environmental resources are available to all residents.
- Information systems are coordinated. Data are collected, monitored and evaluated to improve services and population health while reducing health care costs.

GOAL: Residents and providers collectively identify problems and co-create solutions.

Residents and providers collectively identify problems and co-create solutions.

- **Navigation Meetings:** monthly networking, educational and professional development meetings
- **Planning Committee:** quarterly leadership meetings for information sharing and stakeholder feedback
- **Advisory Committee:** quarterly meetings of people enrolled in Santa Fe County Connect for quality improvement and public policy change

GOAL: Navigators link residents to resources within a cohesive provider network.

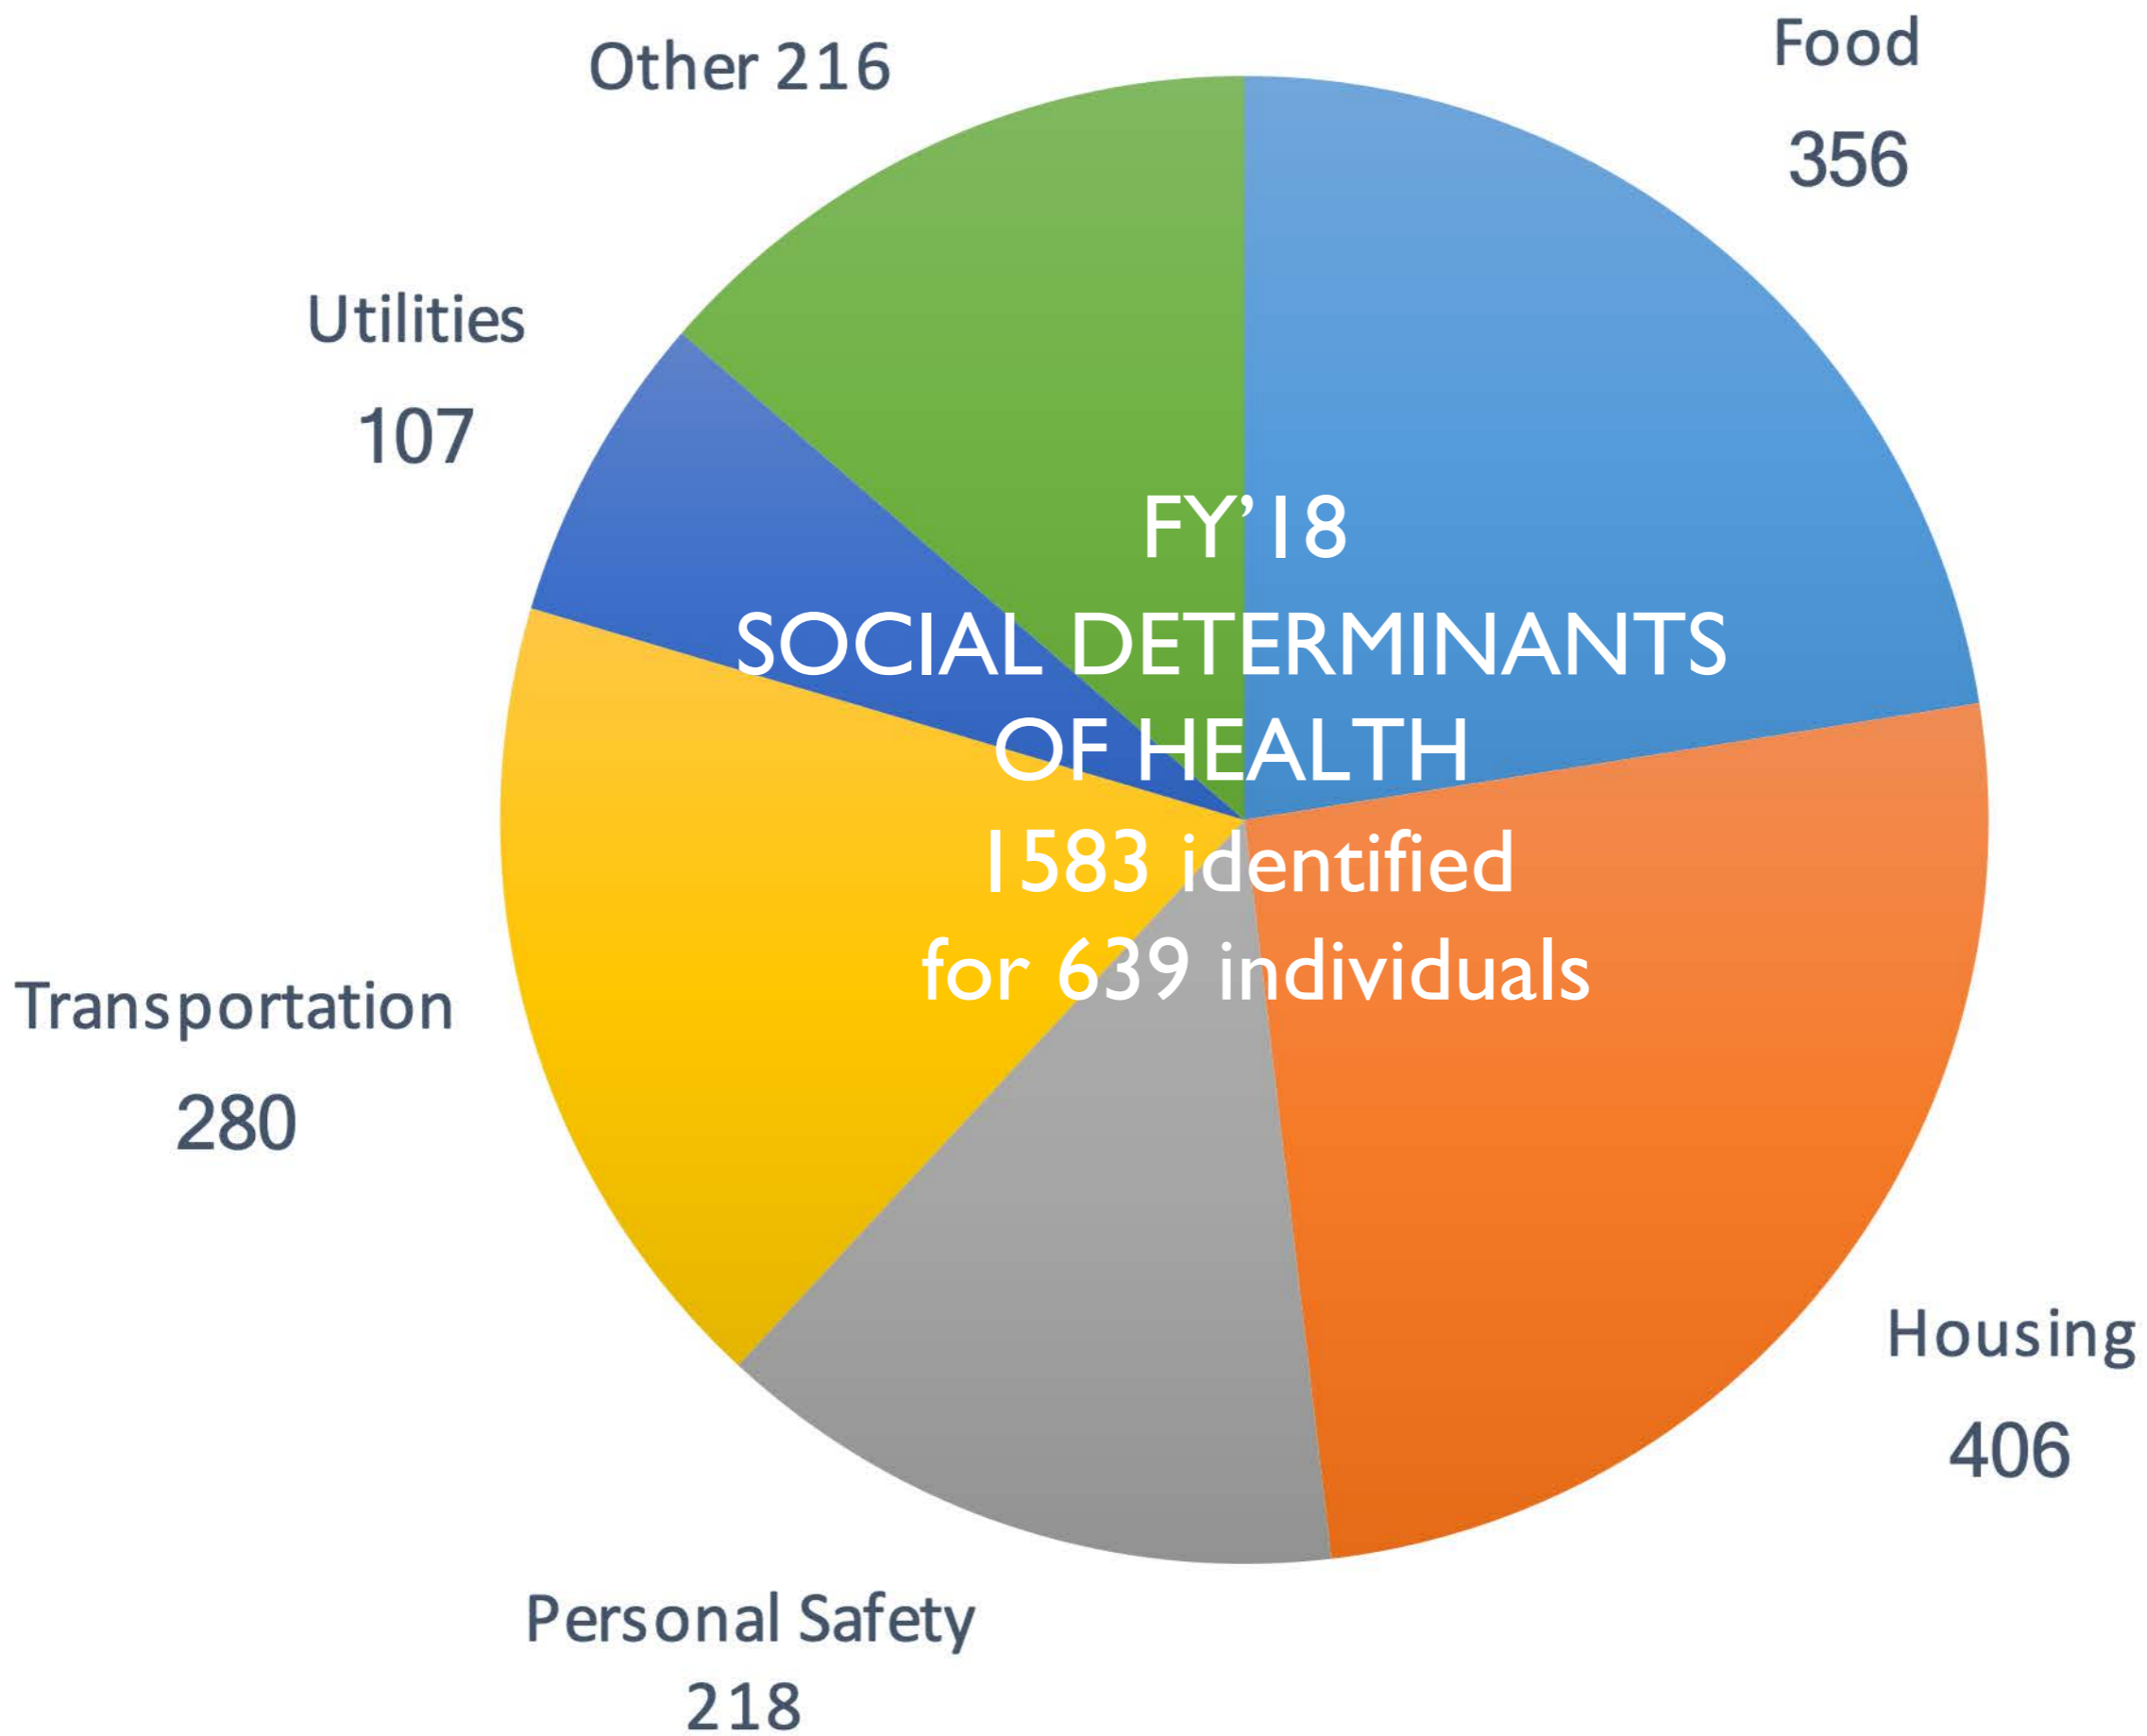

Tony's Story

Navigators link residents to resources within a cohesive provider network.

- 90 navigators in 37 programs funded by County and City contracts link residents to goods and services using the Unite Us on-line, referral platform
- 639 individuals received navigation in 4 quarters of FY 18
- 966 individuals received navigation in 3 quarters of FY 19
- Clinical Guidance: creating a standard of care
- Protocols and Network Standards

GOAL: Social, economic, and physical environmental resources are available to all residents.

Social, economic, and physical environmental resources are available to all residents.

- County and City funding create a larger network
- Share New Mexico provides updated resource information for Unite Us and the Resource Directory
- 2019 Resource Directory published
- Emergency Flexible Funding: crisis one-time funding
